College Network – Outside Southern California

The ASA Players Association has developed a networking program designed to bring talented, motivated student athletes to the attention of colleges across the entire country. It is the association's goal that no student-athlete will be overlooked.

On the back of this letter is the questionnaire form for you to fill out and send back. A one-time donation of \$25.00 for copies and postage to college coaches. If you're already in our network and need to update just write update at the top of the form. You can also update on our web site <http://www.socal-asa.com> (Junior Olympics).

If you have any questions please call or email me at ASALORRIE@AOL.COM OR (951)360-5388 cell: 951-233-7922
